Stantler: Stantler...Stantler.

Jonah: Look at that pokemon.

Ty: I never seen this before.
Ty checks his pokedex at Stantler

Pokedex (Voice): *"Stantler, a Big Horn Pokémon. Stantler's magnificent antlers were once traded at high prices as works of art. As a result, this Pokémon was hunted close to extinction."*

Stantler: Stantler.

Ty: Amazing.

Teddiursa: Teddiursa.
Stantler approaches to the gang as it looks at Max

Stantler: Stantler.

Max: Hey there.
Max pets Stantler's head, comfortable

Max: You look very calm.

Stantler: Stantler.

May: **Smile** Looks like Max is able to befriend a Stantler.

Ash: I agree, May. Since I've seen it before.
While they petted comfortably to Stantler, a group of Bellossom appears behind the gang

Bellossom: Bellossom.

Ash & his friends: Huh?

Raye: **Smile** Oh look.

Lillie: **Smile** It's a Bellossom.

May: **Smile** Hey, you're right.

Raye: So that's Bellossom?
Raye was amazed for seeing Bellossom as she checks on her pokedex

Pokedex (Voice): *"Bellossom, a Flower Pokémon. Its flower petals deepen in color through exposure to sunlight. When cloudy weather persists, it does a dance that is thought to be a ritual for summoning the sun."*

Raye: **Smile** That's so cool. I never saw any of these flower pokemons. They are so kind and cute.

Ash & his friends: **Chuckles**

Ty: **Smile** Looks like our friends are getting along.

May: It's like a little concert!

Max: Teddiursa is being very friendly.

Lillie: **Smile** I've seen some pokemon who act so carefree.

Ash: *Chuckles* They must be having fun.

Jonah: Indeed! They look like they're having a blast.

Raye: It's nice to see our little ones bonding so well.

Dawn: Like becoming friends with them.
They continue watching their pokemons dancing with Bellosom for a while. During walking, Dawn offers some berries

Dawn: Anyone want some berries?

Max: I do.

Raye: Same here.

Ash: **Chuckles**
Manaphy eats a berry as he loves it

Manaphy: **Happy**

May: **Smile** You love berries, Manaphy?

Manaphy: **Happy** Mana.

May: **Giggles**

Lillie: Seems like Manaphy is enjoying his treat. Berries are always a good way to bond with Pokemon, aren't they?

May: Absolutely! It's like a little celebration every time they eat their favorite berries.

Ty: **Smile** That is why they are building friendship. With trust and respect.

Raye: **Smile** It's what makes Pokémon so special.

Pikachu: Pika.

Teddiursa: Teddiursa.

Manaphy: Mana.

Ty & May: **Chuckles**

Raye: Imagine it is like a friendship.

Dawn: True. But it's just not about feeding them, it's about spending time with them and trusting them.

Lillie: Indeed. And friendship is just one way to do that.

Ash: Yeah, and trusting also means letting your pokemon handle things–
As they are chatting, they were interrupted by a noise not far, it was an argument

???: Are you trying to insult my companion!?

Ash & his friends: Huh?

Max: What was that?

Ty: Someone is yelling nearby. Shall we check?

Ash: Yeah, come on.
The gang went to investigate to see what the voice was coming from. Suddenly, they see two male trainers arguing each other

Male Trainer 1: **Arguing** You think my pokemon is weak against you!?

Male Trainer 2: **Arguing** Cause my pokemon is stronger than you! I can defeat you easily.

Male Trainer 1: **Arguing** Hah! Yeah well I don't think you can't, and you don't treat my pokemon like that!

Lillie: Umm, excuse me but…why are you two fighting?
The two male trainers turns to see Ash and his friends

Male Trainer 1: **Unamused** Ohh great. More uninvited company.

Male Trainer 2: We're in the middle of the argument between the two of us.

Ash: H-Hey, there's no need to yell at us. But why are you two arguing about while we are on our journeys?

Male Trainer 2: Good question. This kid thinks which one of us is the best trainer. And he thinks that my pokemon can defeat him easily.

Male Trainer 1: Yeah, and he thinks that my pokemon is weak. I don't appreciate that.

Male Trainer 2: Of course you don't appreciate that. But I'm the best like you.

Male Trainer 1: Why you–
Ash breaks the fight calmly

Ash: Now, now, let's just get along with each other and introduce ourselves. Hi, I'm Ash Ketchum from Pallet Town, and this is my buddy, Pikachu.

Pikachu: Pikachu.

Ash: And these are my friends here.

Ty: I'm Ty Masterum. And that's my pokemon, Teddiursa.

Teddiursa: Teddiursa.

Raye: I'm Raye.

Jonah: The name's Jonah.

Dawn: I'm Dawn.

May: My name's May and that's my little brother, Max. And my pokemon, Manaphy.

Max: Hi there.

Manaphy: Mana.

Lillie: And I'm Lillie.
The two trainers we're a bit calm as they introduced themselves to the gang

Male Trainer 2: Nice to meet you. The name's Connor from the Sinnoh region.

Male Trainer 1: My name is Tristan, and I'm from Johto.

Ash: Nice to meet you, Tristan and Connor.

Dawn: You guys are on your journey too?

Tristan: Yeah, right until I ran over to him. And that's when we start arguing about it.

Raye: I understand your concern.

Max: But are you two friends?

Tristan: **Mad** What!? With this guy!? No way!

Connor: I'm no friend with him. He's just immature.

Tristan: **Unamused** Pfft. Right.

Max: Sorry, I didn't mean to ask you that.

Ash: Forget about it, Max.

Ty: Here, how about this. Why don't you two come and stay with us for a while? That should keep you entertained.

Tristan: Well if that's the case, sounds good to me.

Connor: All right. I'm in. But still, he's not the person that I like that most.

Tristan: Neither do you.
Connor and Tristan glare at each other since they are not friends

Ty: In that case. Let's roll, everyone.

Teddiursa: Teddiursa.
Connor and Tristan join Ash and his friends for a while despite the fact that these two don't like each other. Unknown to the gang, Team Skull who were hiding behind the trees sees them leave

Rapp: There they are. It's those kids again.

Zipp: And they brought two trainers with them.

Tupp: Hah. These guys will be defeated once we counter them.
While looking at the gang with their binocular, Yuho, a new member of their grunt team, questions over their plan

Yuho: Hey, Tupp. Shall we use our sneak attack?

Tupp: Not yet.
Tupp then contacts Plumeria on his device

Tupp: Plumeria, we found Ash's team. Looks like they're resuming their adventure.

Plumeria: Excellent. Ash and his gang won't be going anywhere. Follow them and keep an eye on them without being spotted. And don't fail me.

Tupp: Understood, Plumeria.
Tupp finished contacting with Plumeria and he tells his grunts for their objective

Tupp: Everyone, you heard what she said.

Zipp, Rapp & grunts: You got it, boss.

Tupp: Let's move.
Team Skull follows Ash's team in an attempt to stop them. Meanwhile, the gang are still continuing walking as they're heading closer to Ecruteak City not far. During that, Tristan was drinking a bottle of fresh water that he was shared by the gang

Tristan: **Drinking** Ahhh, fresh and fresh. Thanks for the water guys.

Ash: Not a problem.
Tristan enjoyed a fresh water that he drinker until Connor took a sip of his, but it was warm

Connor: Agh, this one's a bit warm. Hey Tristan, give me your fresh water.

Tristan: **Mad** Get your own water, chucklehead!
Surprised what Tristan said, Connor and Tristan began their argument each other again

Connor: **Arguing** Okay, you pip squeak! You're gonna give me your fresh water before you try anything crazy!

Tristan: **Arguing** Nobody cares about your opinion, bird brain!

Connor: **Arguing** What did you say!?

Tristan: **Arguing** Yeah you heard me right, I just called you that!
Ash and his gang were sigh at their argument

Ash & his friends: **Sigh**

Ash: **Sigh** Oh boy.

Pikachu: **Sigh** Pika Pika.

Lillie: **Sigh** These two are always bickering.

Ty: **Sigh** This is too embarrassing

Teddiursa: **Sigh** Teddiursa.

Connor: **Arguing** You little fuzzball. Don't you know how to respect someone?

Tristan: **Arguing** All right, that's it! Let's have a battle! You and me!

Connor: **Arguing** Oohh now you want a pokemon battle with me? Bring it on then! I've been waiting for this!
Connor and Tristan were about to face each other in a pokemon battle until Dawn and May stopped their fighting

Dawn: Hey, that's enough already.

May: Enough fighting. Can't you two get along with each other?

Tristan: **Upset** Not until he apologizes for his behavior to me earlier. Besides, I shouldn't have met him in the first place.

Connor: Look, I'm not the reason that started the argument. I wouldn't trust you.

Tristan: So?

Raye: It's not everyday we get to travel like this.

Max: You don't have to hold grudges like this. That's hopeless.

Connor: Like it or not, I wish I was a better trainer on my own.
During discussion about Connor and Tristan's uncomfortable argument, Ty and Jonah tells them about their actions from last time

Ty: You know one thing. Last time, Jonah and I argued to see who's the better trainer too. It didn't work after we lost our temper.

Jonah: We felt bad at each other, we've regretted our actions. **Smile** But, I'm the end, he and I became friends once again after we apologized.

Ty: **Smile** That's right, cause he and I are best friends now.

Teddiursa: **Smile** Teddiursa.

Lillie: **Smile** That means you two should do the same, becoming friends instead of being enemies.

Max: **Smile** I totally agree with that.

Ash: **Smile** You two should become traveling companions.

Pikachu: Pika Pika.
The words of the gangs advice are persuading Tristan and Connor to become friends, unknown to them, Team Skull are in the bushes as they are preparing to attack

Tristan: Hmm...becoming friends. Not enemies..... **Smile & thumbs up** That's a great idea, maybe we should do that and end this hostile relationship. What'd you say, Connor?
He offers a fist bump at Connor to become friends, but Connor was unamused

Connor: **Unamused** No thanks. I don't prefer to be your friend or companion.

Ash & his friends: **Surprised**

Tristan: **Jealous** Oh, and why is that?

Connor: Because, you can't be my companion unless you–
Before he could finish, their conversation were interrupted by Yungoos sneak attack

Suddenly, Team Skull jumps in, confronting the Ash's team

Tupp: Hello again, Ash.

May: **Mad** Team Skull.

Connor: Who are these guys?

Lillie: That's Team Skull, a band of criminals who steal other pokemons.

Tristan: Are there the bad guys then?

Jonah: Definitely.

Tupp: I've underestimated you. You're more than I thought.

Ash: Like you've been causing a lot of trouble.

Tupp: **Mocking** Hah! Even from the last time that we got our bodies switched to each other, thanks to that Manaphy you have.

Manaphy: **A bit scared** Mana...

May: **Mad** You made Manaphy scared, I don't blame for that!

Max: **Mad** You better stop bullying other trainers or pokemon and never mock again.

Raye: **Mad** You heard that! No more!

Rapp: **Mocking** Oh yeah? Consider that your Manaphy caused everything in the first place! He should be ashamed of himself!

Dawn: **Mad** You're the reason! Not ours!

Yuho: **Mocking** In my opinion, I don't care. Allow me to introduce myself. I'm Yuho, a new member of Team Skull.

Jonah: So you got a new member with you!?

Zipp: That's right. We brought our newcomer with us!

Ash: Who cares about having a new recruit on your team?

Team Skull grunts: Right!!
Team Skull retreated to the woods, but will return for there vengeance, the gang we're happy

Dawn: We did it! We beat them again!

Ash: You better run and never mock us again!

Max: We're unstoppable!

May: Definitely!

Manaphy: Mana!

Jonah: I'm glad we got rid of them.

Raye: They were tough. But we're tougher.

Lillie: We made a great team. It's all thanks to you, Connor and Tristan. We appreciate your help.

Tristan: **Smile** No problem. It was a team effort.

Connor: **Smile** We make a pretty team.

Tristan: **Smile** What's done–

Connor **Smile** Is done.
Connor and Tristan high five each other for their best team efforts and the gang smiles at them. In the forest, Plumeria was mad at her grunts for their failures

Plumeria: **Mad** You failed to defeat Ash and his team? They're so unstoppable!

Tupp: We're sorry, boss! It's just that we weren't able to defeat Ash and his gang!

Yuho We really tried our best!

Rapp: Those kids just outmatched us!

Zipp: Yeah. And it really upset me!

Plumeria: We need to come up with a plan to take down those kids next time! And this time…they will go easy on us.

Tupp: **Mischievous** Sounds good to me.

Rapp: **Mischievous** I like that plan.

Yuho: **Mischievous** That will be epic.

Zapp: **Mischievous** Will show these kids next time.

The grunt agrees with Plumeria, promising that will face Ash and his friends next time when they encounter them. In the sunset, Ash and his friends are about to leave to Ecruteak City, while Connor and Tristan are departing ways

Ash: Tristan, Connor. We gotta thank you for helping us.

Connor: Not a problem. I wouldn't see Tristan get defeated by those thugs.

Tristan: I wouldn't see you either. But you guys are pretty lucky that we have backup.

Ty: No need to worry anymore, cause we worked together as a team!

Max: That's true.

Teddiursa: Teddiursa.

Dawn: You two were good assistance.
Everyone smiles for their efforts as Connor and Tristan looked each other

Tristan: Listen. I wanted to say I'm sorry from earlier. You know, for our argument.

Connor: I wanted to apologize too. But for now…
Connor offers a handshake to Tristan

Tristan: Hm?

Connor: Let's be friends...what do you say?
Tristan looks at Connor, realizing that he accepted his apology. He accepted with a look of his smile

Tristan: **Smile** You betcha!
Tristan handshakes Connor, becoming friends now, the gang we're smiling at them

May: **Smile** Looks like their argument is over.

Jonah: **Smile** Now that's what we wanted to see.

Tristan: **Smile** We gotta thank Lillie, for giving advice to become friends.

Lillie: **Giggles** Anytime.

Connor: Hey Tristan. Since we are friends now, wanna come on a journey with me? So we can be companions.

Tristan: Absolutely my friend.
After becoming friends, Tristan and Connor waves goodbye to the gang as they departed

Tristan: Later guys!

Connor: Have fun on your adventure!

Ash: Take care of you two!
After they left, the gang we're ready to go

Ash: Yeah. Let's get going.
